If you are a law student interested in talking with an ACEBC member about employee benefits practice, send us an email with your **name, law school, email address, and phone number**. Feel free to specify if you are interested in a particular type of practice, such as in-house, government, law firm, not for profit, or teaching. The discussion with the volunteer is intended as informational only, and you should not use the Law Student Outreach as a vehicle for seeking employment.
